

*This is our second edition of the Hope Creek Newsletter. A quick glimpse at our programs and operations here in Mill Creek, WA!*

## BIG TENT UPDATE

I'm sure you're all wondering how this tent will be used, what it will look like inside, how this changes our programs, and Thursday food distributions?

Great questions, and we are excited for all that is to come!

We don't have all the answers yet, and we will try several different things until we nail down what works to make our programs the best they can be!

We will ask for feedback from you and our customers and pivot as needed.

The reason for some upcoming changes is based on our fluctuating customer numbers and needs, differing amounts of food donations, available volunteers, and the weather.

But considering all these changes and variables: We will give food, always.

We hope you will come along side us as we implement some of these exciting changes- utilizing this new tent, and aiming to best serve our community members in need through our existing and future programs!

### How can I get involved?

We are always looking for volunteers to come serve as a family and we provide opportunities to meet your local neighbors who also have a passion for giving back. Applying to volunteer with us couldn't be easier. Please visit our website and click on "volunteer".
